EDUCATION

B.Tech in Electrical and Electronics Engineering

Indian Institute of Technology Patna

Class XII (Bihar School Examination Board)

D.A.V. College, Siwan, Bihar

AUG 2024 – JUN 2028

CPI: 8.22/10.0

APR 2021 – MAR 2023

Percentage: 82.6%

PROJECTS

Pocket Bot – AI Financial Wellness Platform | React.js, FastAPI, Python, LangChain, Firebase | 2026 [GitHub](#)

- Built an AI-powered financial wellness platform integrating expense tracking, forecasting, burnout prediction, and personalized recommendations for students.
- Developed REST APIs using FastAPI with Firebase to support financial analytics, wellness monitoring, and recommendation services.
- Designed a hybrid burnout prediction engine combining rule-based intelligence and Scikit-Learn models to identify financial and mental stress risks.
- Integrated LangChain and Groq LLMs to deliver personalized financial guidance; selected among the Top 300 teams from 70,000+ participants in Amazon HackOn Season 6.0.

Anwesha IIT Patna – Official Fest Website | React.js, Next.js, Firebase, Tailwind CSS | 2025 [GitHub](#)

- Developed and maintained frontend features for the official cultural fest website of IIT Patna using React.js and Next.js.
- Built responsive user interfaces and integrated Firebase Authentication and backend REST APIs for secure user workflows.
- Collaborated in a multi-member development team using Git and GitHub for version control and deployment.

SKILLS

Languages: Java, C++, JavaScript, SQL, C

Core CS: Data Structures and Algorithms, Object-Oriented Programming (OOP), Database Management Systems (DBMS), Operating Systems (OS), Computer Networks

Web Technologies: HTML5, CSS3, JavaScript (ES6+), React.js, Next.js, Responsive Design

Backend Databases: Node.js, Express.js, FastAPI, REST APIs, Firebase (Auth, Firestore), MongoDB, SQLite

AI/ML: LangChain, Scikit-Learn, Feature Engineering, Forecasting, Recommendation Systems

Tools Practices: Git, GitHub, Postman, Docker, Agile Development

Operating Systems: Linux (Ubuntu), Windows

COURSEWORK

Relevant Coursework: Data Structures Algorithms, Operating Systems, Database Management Systems, Computer Organization Architecture, Graph Theory

ACHIEVEMENTS CERTIFICATIONS

- Selected among the **Top 300 teams from 70,000+ participants** in **Amazon HackOn Season 6.0** for building Pocket Bot, an AI-powered financial wellness platform.
- Achieved **Rank 1650 among 34,000+ participants** in **LeetCode Weekly Contest 504**.
- Qualified **JEE Advanced** and secured admission to IIT Patna among top engineering aspirants nationwide.
- Secured a branch change from **Civil Engineering to Electrical and Electronics Engineering** at IIT Patna based on academic performance.
- Maintained a CPI of **8.22/10.0** at IIT Patna.
- Solved **400+ DSA problems** across LeetCode and CodeStudio, covering graphs, trees, dynamic programming, greedy algorithms, and advanced data structures.

POSITION OF RESPONSIBILITY

Anwesha, IIT Patna

MAY 2025 – MAY 2026

Web Development Sub-Coordinator

- * Coordinated with the web team to develop and deploy features for the official fest website, contributing to task planning and project execution.

National Service Scheme (NSS), IIT Patna

MAY 2025 – MAY 2026

Sub-Coordinator

- * Organized institute-level outreach initiatives, coordinating volunteers and managing event logistics for community engagement activities.
